SANSKRITI UNIVERSITY

FOR EXCELLENCE IN LIFE

NAAC Accredited

India's Leading Industry Oriented UNIVERSITY

"EDUCATION IS THE MANIFESTATION OF THE PERFECTION ALREADY IN MAN."

- *Swami Vivekananda*

EDUCATION BEYOND BOUNDARIES

Where Learning Meets Industry, Innovation & Impact

At Sanskriti University, education goes beyond textbooks — it transforms students into creators, problem-solvers, and future leaders. Every learning experience — in smart classrooms, innovation labs, incubation centres, or industry sessions — is designed to prepare students not just for **exams**, but for the **real world**.

We bring together the best of rigorous academics, modern technology, industry-aligned curriculum, and India's rich intellectual legacy. Here, learning is **hands-on, skill-based, and purpose-driven**, empowering students to think critically, innovate boldly, and lead confidently.

Sanskriti is where **tradition meets technology**, where ideas evolve into prototypes, patents, and startups. Guided by strong values and global perspective, our students learn to excel not only in achievement, but in impact — shaping futures for themselves and for the world.

At Sanskriti University, education expands beyond boundaries — preparing **future-ready, industry-ready, and innovation-ready minds** who thrive in a rapidly transforming world.

A NAAC ACCREDITED & INDIA'S LEADING INDUSTRY-ORIENTED UNIVERSITY.

Rising on the Mathura–Delhi Highway, Sanskriti University is a NAAC Accredited institution recognized today as **India's Leading Industry-Oriented University.** Built across a 40+ acre modern campus, Sanskriti is a dynamic ecosystem where **industry exposure, innovation**, and **academic excellence** come together to shape future-ready leaders.

Ranked among India's top emerging institutions and **#1 in India for Highest Patent Applications**, the University stands at the forefront of skill-based, technology-driven education. With **300+ industry partnerships and next-gen learning infrastructure**, Sanskriti ensures that students don't just learn theories but experience the real-world application of every concept.

Our ecosystem includes cutting-edge **AI, Robotics & Cyber Labs**, fully equipped Centres of Excellence, on-campus Startup Incubation, smart classrooms, Wi-Fi-enabled hostels, and global collaborations with top institutions worldwide.

What truly sets Sanskriti apart is its people, industry experts, innovators, researchers, academicians, and mentors who guide students through live projects, industry certifications, internships, and hands-on learning right from day one.

Across 14 Schools and 100+ programs, Sanskriti University blends academics, skills, values, and global exposure to create graduates who are not only employable but **industry-ready, innovation-ready, and future-ready.**

Here, education prepares you for a career and equips you to lead the world.

WHERE OPPORTUNITY MEETS ACCESS

A 40-acre NH-19 smart campus seamlessly connected to Delhi NCR's corporate & tech ecosystem.

ADVANCED FACILITIES

AI, Robotics, Cyber, Agritech & Hospitality labs built to turn ideas into innovation.

EXPERIENCED FACULTY

Industry experts & researchers who bring real-world experience into every classroom.

HIGH EMPLOYABILITY

300+ recruiters, internships & live projects that prepare you for global careers.

HIGHLY RECOGNIZED

NAAC Accredited, Ranked 1 in 2022-23 in India for Patent Applications.

INDUSTRY ORIENTED UNIVERSITY

Skill-based, career-driven programs aligned with future industries & Gen-Z careers.

STARTUP & INNOVATION ECO-SYSTEM

On-campus incubation, funding, mentorship & support for student-led startups.

GLOBAL CONNECT 300+

300+ international partners for global exposure, internships & study-abroad routes.

ACCREDITATIONS THAT BUILD TRUST. RECOGNITIONS THAT BUILD FUTURES.

Sanskriti University is NAAC Accredited & recognized by India's top statutory bodies — ensuring credibility, quality, and global academic acceptance. *Our approvals reflect trust, transparency, and a commitment to future-ready, industry-aligned education.*

University Grants Commission (UGC) Recognized under Section 22 of the UGC Act, 1956 — authorized to award degrees.

STALWARTS OF KNOWLEDGE AND VISION.

OUR FACULTY, OUR PRIDE

At Sanskriti University, our faculty are not just teachers—they are architects of possibility. Every class, every experiment, every conversation is a spark that lights curiosity, fuels ambition, and awakens confidence. They guide students with deep knowledge and thoughtful mentorship, balancing expertise with empathy, and rigor with inspiration. Here, learning is alive: students are challenged to question, to explore, to push boundaries, and to see beyond what is taught.

Our mentors encourage creativity, nurture critical thinking, and foster research and innovation, all while instilling values of integrity, perseverance, and responsibility. Faculty growth is continuous, with workshops, seminars, and collaborative programs ensuring that teaching remains at the cutting edge of knowledge and practice. Beyond academics, they support students through personal guidance, helping them navigate challenges, build resilience, and develop leadership.

Through this holistic approach, our faculty shape graduates who are intellectually capable, ethically grounded, and socially conscious. Students leave not only prepared for their careers but ready to make meaningful contributions to society, to innovate with courage, and to pursue their passions with purpose. At Sanskriti, education is not merely about what is learned—it is about who our students become, and the difference they can make in the world.

LIFE@ SANSKRITI

At Sanskriti University, campus life is a living experience where curiosity meets creativity and learning extends beyond classrooms. Across 40 acres of green, vibrant spaces, students discover opportunities to explore ideas, express talents and build meaningful connections.

Regular organisation of workshops, internships, competitions, and events spark leadership, collaboration and personal growth. The university supports a balance between rigorous academics and holistic development. Every interaction, project and initiative encourages students to think boldly and contribute meaningfully. Here, the campus is more than a space—it is a community where innovation, culture, and camaraderie converge, shaping individuals ready to lead the nation with meaning.

LEARNING BEYOND LIMITS

Experience excellence that rivals the best universities in India

In the heart of Mathura, Sanskriti University's 40-acre campus opens as a space where learning breathes. Verdant lawns, calm pathways and modern architecture create an environment where curiosity is free to roam. Lecture halls encourage dialogue, seminar rooms spark questions and laboratories transform theory into hands-on discovery. Libraries, both central and departmental, overflow with national and international resources, complemented by 24/7 digital access through DELNET. Spacious reading areas, high-speed Wi-Fi, NPTEL-enabled classrooms and virtual labs ensure that students explore, create and innovate. Education here is immersive, holistic and alive—shaping leaders of tomorrow to navigate the world with insight and confidence.

CANVAS OF CULTURE

Celebrating heritage, creativity, and the spirit of expression

Art and culture are the heartbeat of campus life. Students and faculty engage in festivals, performances, exhibitions and competitions that celebrate expression and heritage. Music, dance, debates, and showcases of creativity become arenas for collaboration and bold imagination. Through these experiences, India's rich cultural tradition is not only honoured but reinterpreted, allowing each student to grow in awareness, talent and perspective. Culture here is lived, not observed—woven into daily practice, fostering thoughtful, confident and expressive individuals.

MOMENTS BETWEEN CLASSES

Spaces to connect, unwind and spark ideas

Learning extends beyond classrooms. Students gather in cafés, lounges and open spaces to recharge, converse and challenge one another. Conversations range from art and music to politics, sports and innovation—small experiments in thought and collaboration. Every shared cup of tea, every casual discussion, becomes a laboratory for reflection, creativity and connection. These moments enrich the mind, deepen friendships and turn ordinary breaks into experiences of insight and joy.

A SAFE HAVEN TO GROW

Ensuring safety, discipline and a secure campus for every student

Freedom to learn depends on safety. Sanskriti University enforces a zero-tolerance policy against ragging, monitored by committees, staff, faculty and student volunteers. Awareness campaigns, parental undertakings, anti-ragging posters and 24/7 supervised "ragging-prone zones" create a secure and supportive environment. Emergency contacts and police coordination add an extra layer of protection, allowing every student to grow, explore and participate with confidence and peace of mind.

A SAFE CAMPUS FOR ALL

Where Security Meets Freedom of Exploration

Sanskriti University treats safety as the very foundation of campus life. From the moment one crosses its gates, the environment is designed to inspire confidence and trust. The campus, enclosed by a high boundary with barbed wire, is monitored continuously at a single access point by vigilant armed personnel. Bags, belongings and identification of every visitor and student are carefully checked, while metal detectors and strategically positioned CCTV cameras enhance surveillance. ID cards are compulsory and communal spaces—from canteens to hostels—are actively monitored to ensure a disciplined and secure environment. Girls' hostels have additional layers of protection with restricted access and controlled timings, combining security with independence. Every measure, every protocol, is conceived to allow students to learn, create and grow without hesitation, making safety a gateway to freedom rather than a restriction.

UNLEASHING THE POTENTIAL OF OUR LEARNERS

Clubs for Passion, Leadership and Self-Discovery

At Sanskriti University, student engagement thrives beyond classrooms. The Student Council links students with administration, fostering leadership and participation, while clubs nurture interests in innovation, wellness, culture, and entrepreneurship. These spaces promote growth, creativity, teamwork, and critical thinking, shaping both students and campus culture, transforming extracurriculars into meaningful opportunities for learning and expression.

A WORLD WITHIN A CAMPUS.

Where every corner holds a lesson, a memory and a future.

At Sanskriti University, the campus is a teacher. Every hall, lab, and courtyard carries discovery. The 40 acres are alive with experiences — a theatre sparks imagination, a museum curates memory, and wellness centers restore balance. Education is infused into the spaces where students live, learn, and grow.

SPACES OF EXPRESSION

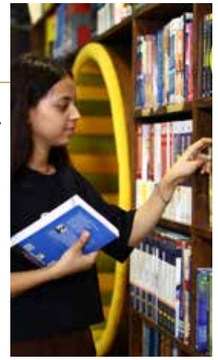
Culture, creativity and memory preserved

- Theatre for performance and debate
- Museum and art gallery as living classroom.s

LEARNING ENVIRONMENTS

Designed to ignite thought and curiosity

- Central library with 24×7 access.
- Five departmental libraries across disciplines.
- Digital databases, archives, and reading zones.



WELLNESS & CARE

Because growth needs balance

- Elite-class wellness centre and medical facilities.
- Turf sports complex, gymnasiums, and open green field.

COMMUNITY & BELONGING

Life beyond the lecture hall

- Cafeterias, lounges, and hostels built for connection.
- Safe, reliable transport across the region.

THE PULSE OF SANSKRITI

Where every passion finds its place

At Sanskriti University, learning does not end when the lecture closes. It spills into festivals that awaken creativity, debates that sharpen convictio and celebrations that bind students to both heritage and modernity. The campus transforms into a living mosaic where music, culture, technology and sport find their voice.

Mocktail fests like ALOHA bring joy and camaraderie. Conclaves like CyberXplore test imagination against the future. Kavi Sammelans echo with poetry, while sports tournaments demand discipline and resilience. Every gathering — whether World Sanskrit Day or Yoga for Wellness — nurtures balance between intellect and spirit.

These moments are not extracurricular. They are extra-ordinary. They teach collaboration, spark confidence and leave imprints that last long after students have moved beyond the gates. In the heartbeat of every event, Sanskriti's belief in holistic growth finds its rhythm.

HIGHLIGHTS:

Cultural & Heritage:

Social Impact Drives

FROM CAMPUS TO CORPORATE

At Sanskriti University, placements aren't just about finding jobs — they are about building careers with direction and opportunity. Our dedicated Training & Placement Cell works year-round to connect talent with industry, ensuring that every deserving student is groomed, guided and given the right platform to begin their professional journey.

With a vision of achieving 100% placements, the cell bridges the gap between academic preparation and corporate expectation, creating confident graduates who can step into the world ready to deliver.

PLACEMENT CELL AT WORK

Active, All Year Round
Corporate outreach never pauses; CEOs and HR leaders from top organisations are regularly engaged to open doors for our students.

Holistic Grooming
Beyond technical knowledge, students are coached in personality development, communication and interview preparation to shine as complete professionals.

Industry Feedback Loops
Corporate trainers and faculty receive continuous insights from recruiters to fine-tune readiness and performance.

Corporate Meets
Regularly hosted interactions bring recruiters face-to-face with students, creating meaningful exposure and relationship building.

FROM IDEA TO IMPACT.

At Sanskriti University, ideas go beyond the pages of notebooks—they evolve and take flight. Our Incubation Centre is a launchpad for innovators, dreamers, and future entrepreneurs, turning curiosity into business, technology, and social ventures. With resources like business planning, financial management, mentorship, and access to investors, we guide students and faculty from idea inception to a fully sustainable startup, equipped with cutting-edge facilities and market research.

A THRIVING ENTREPRENEURIAL ECOSYSTEM

Sanskriti's ecosystem isn't just about startups—it's about holistic innovation. The IIIE Cell (Innovation, Incubation, Intellectual Property, Entrepreneurship) creates a seamless journey from ideation to commercialisation. Through this model, knowledge transforms into societal and economic value, encouraging students to explore frugal, disruptive, sustainable and social innovations.

CENTRES OF EXCELLENCE:

Industrial Automation & Robotics | CNC Machines
Ecological Farming

COMMUNITY INCUBATION:

Real-world projects in villages, energy efficiency and sustainable practices.

INDUSTRY & GOVERNMENT COLLABORATION:

STUDENT INNOVATIONS THAT INSPIRE

Electric Vehicle:
Designed for sustainability, capable of 80–120 km per charge

Automatic Robot:
Motion-sensing, audio-responsive, environment-monitoring assistant

Solar Car:
Renewable energy-powered, with high-capacity battery and torque

Anti-Missile & Surveillance Robot: AI-enabled, remote-monitoring robotic defense system

Eco-Friendly Cow Dung Log Machine:
Turning waste into sustainable fuel

Solar Diya & Innovative Bamboo Cycle:
Practical, eco-conscious solutions crafted by students

CONVOCATION 2025

ABOUT CONVOCATION

Sanskriti University celebrated its **6th Convocation 2025** on 12th August at its Mathura campus, marking a significant milestone where tradition met innovation. The ceremony honored the graduating batch for their academic achievements and excellence. Following the convocation, **ABP "Sanatan Samvaad"** inspired the audience with profound discussions led by Shri Ashutosh Rana Ji (Poet & Actor) and renowned spiritual leaders. Hosted by **Dr. Sachin Gupta, Chancellor**, the event reflected Sanskriti University's commitment to holistic education, cultural values, and shaping future-ready global citizens.

NUMBER OF CERTIFICATES PROVIDED

Over 2000+ certificates were awarded, honoring the dedication, perseverance, and achievements of students across diverse disciplines, reflecting Sanskriti University's unwavering commitment to excellence and holistic education.

WHERE KNOWLEDGE BECOMES LIFE

At Sanskriti University, learning is alive.
It is felt in the spark of a question that refuses to settle, in the quiet thrill of discovery in a lab nd in the hands-on challenges that mirror the world beyond. Students do more than study—they create, debate, build, lead.

Industry collaboration, research, workshops, internships and real-world projects are not add-ons; they are the pulse of education here. Tradition informs the values they carry; innovation fuels the vision they chase.
At Sanskriti, intellect meets intention, curiosity turns into courage and knowledge becomes a force to shape the future.
